**[Immaculate Conception School!](#)**

The *Labels for Education*® Program Awards FREE Educational Merchandise.

For over 39 years, the *Labels for Education* program has been awarding FREE educational equipment to schools in exchange for proofs of purchase from participating products. It's a fun, easy program where students, families and members of the community work together for a common goal.

Today, *Labels for Education* is proud to say that over 70,000 schools and organizations are registered with this program, benefiting more than 42 million students. Over the years, *Labels for Education* has been able to provide more than \$114 million in merchandise to America's schools!

You can help Immaculate Conception earn free merchandise such as *computers, audio/visual equipment, physical education equipment, reference books, musical instruments or even a minivan*, simply by collecting *Labels for Education* participating product UPCs and beverage/sauce caps and giving them to Immaculate Conception.

This year our goal is to collect *thousands* of points, and we're asking the community to help.

It's easy to pitch in. Visit [LabelsForEducation.com](http://LabelsForEducation.com) for a complete list of participating products and begin saving your UPCs and/or beverage/sauce caps. Be sure to check out the Facebook page at [Facebook.com/LabelsForEducation](https://www.facebook.com/LabelsForEducation) to find out about additional ways to earn *Labels for Education* bonus points.
