SCRIP Gift Card Program

The SCRIP program includes a large number and variety of merchants, many of which you probably spend money with on a regular basis, like buying gas, groceries or household items. Some vendors may be ones you use for specific needs, like home improvements, electronics, or gift-giving. In either case, the money you are already spending can benefit your school in a BIG way!

How does ICS benefit?

Each merchant donates a percentage of the cost of gift cards purchased back to the school. The percentage varies between merchants, and can vary based on specials the merchants offer (i.e. increased percentage for a limited time).

For example: You purchase \$200 in Wal-Mart gift cards to use for gas purchases, groceries, cleaning products, an oil change, birthday gifts, personal items, etc. Wal-Mart donates 3% to ICS when you purchase the cards through SCRIPS >> \$6 for the school! Doesn't sound like much? Think about this...

If 75 ICS families did the same thing this month...that's \$450!

If we did it throughout the school year (10 months)...that's \$4,500!

Chances are, we all spend more than \$200 on basic monthly expenses like gas and groceries. Look for SCRIPS gift cards for most area gas stations, restaurants, clothing and shoe stores, office supplies and electronics, groceries and personal items, etc. , as well as online shopping. Need a gift? Buy the gift with a card, or give the card itself!

How do I get started?

- Create an account using the ICS code: **74523L941722L**
